INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors of
M/s **SHIVAKAR INFRA PRIVATE LIMITED**
Bangalore.

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial Statements of M/s **SHIVAKAR INFRA PRIVATE LIMITED** (the company) which comprise the standalone Balance Sheet as at March 31, 2022 and the standalone Statement of Profit and Loss, and the standalone Statement of Cash Flows for the year then ended on that date and notes to the standalone financial statements including a summary of the significant accounting policies and other explanatory information.(hereinafter referred to as the "Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended ("AS") and other accounting principles generally accepted in India, of the Standalone state of affairs of the Company as at March 31, 2022 and its **Profit**; their Standalone Statement of affairs and their Standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient

and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statement for the financial year ended 31st March 2022. These matters were addressed in the context of our audit of the financial statement as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have not determined any matters described to be the key audit matters to be communicated in our report.

Information other than the standalone Financial Statements and Auditor's Report Thereon.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the Standalone financial position, Standalone financial performance, Standalone statement of affairs and Standalone cash flows of the company in accordance with the AS and other accounting principles generally accepted in India. The respective Boards of Directors of the company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation

and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under section 143(3)(i) of the Companies Act, 2013, we are responsible for expressing opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained,

whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial Statements, including the disclosures, and whether the financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditors report

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of SHIVAKAR INFRA PRIVATE LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the Standalone financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of **SHIVAKAR INFRA PRIVATE LIMITED** (hereinafter referred to as the "Company") and which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company and which is company incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and which is company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting

included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company, which is company incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company which is company incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the respective companies considering

the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS:

Corporate Information :

M/s SHIVAKAR INFRA PRIVATE LIMITED ('the Company') is a private limited company incorporated and domiciled in India. The Company is engaged in the business of Property development & Land Acquisition.

Note -1: Significant Accounting Policies:

1.1 Basis of Preparation:

The Financial Statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises of mandatory Accounting Standards as specified under Sec. 133 of the Companies Act 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The accounts are prepared on going concern basis only.

1.2 Use of Estimates

The preparation of the financial statements is in conformity with Indian GAAP, which requires that the management make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expenses during the reported period. Although such estimates are made on a reasonable basis taking into account all available information, actual results could differ from these estimates and such differences are recognised in the period in which the results are ascertained.

1.3 Revenue Recognition :

Revenue from real estate under development/ sale of developed property will be recognized upon transfer of all significant risks and rewards of ownership of such real estate/ property, as per the terms of the contracts/ agreements, except for contracts where the Company still has obligations to perform substantial acts even after the transfer of all significant risks and rewards. In such cases, the revenue will be recognized on percentage of completion method, when the stage of completion of each project reaches a significant level which is estimated to be at least 25% of the total estimated construction cost of the Project. Revenue is recognized in proportion that the contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs.

1.4 Fixed Assets & Depreciation:

As on date, the company does not own any fixed assets.

1.5 Foreign Currency Transactions :

- i. Income and expenses in foreign currencies are converted at exchange rates prevailing on the date of the transaction. All foreign currency liabilities and assets are restated at the rates ruling at the year end. Exchange differences arising on restatement / settlement of foreign currency balances are adjusted in the profit and loss account.
- ii. In case of non-integral operations, assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date. Revenue and expenses are translated at yearly average exchange rates prevailing during the year. Exchange differences arising out of these translations are included in 'Foreign Currency Translation Reserve' under Reserves and Surplus.

1.6 Borrowing costs:

Interest and other borrowing costs on specific borrowings attributable to qualifying assets are transferred to carrying cost of the assets. Other borrowing costs are charged to revenue over the tenure of loan.

1.7 Inventories

Expenditure incurred during the year amounting to Rs.Nil. relating to construction activity or incidental thereto has been treated as Work in Progress under the head of 'Inventories'

1.8 Earnings Per Share

Basic earnings per share will be calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and taxes) by the average number of equity shares outstanding during the year. Presently, the company is not generating any revenues.

1.9 Taxation

Tax expenses for the year comprise current tax and deferred tax liability. Current tax is calculated in accordance with the provisions of section of Income tax Act, 1961, where the income tax is calculated at the rate of 25% (4 % education cess) of the taxable income by filing appropriate form under Income Tax Act, 1961.

1.10 Impairment of Assets:

The Company assess at each Balance Sheet date whether there is any indication that any of the assets may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an Impairment loss and is recognized in the profit and loss account. As on the Balance Sheet date the Company assessed for impairment of assets and found no indication of impairment of assets as per Accounting Standard (AS-28).

1.11 Provisions and Contingencies

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. No contingent liabilities/assets estimated as on the balance sheet date.

Contingent liabilities are not recognized and, if any, are adequately disclosed in the notes to accounts.

1.11 Cost Recharge:

The advances relating to their sister concern for furtherance of the business and accordingly the works were being executed by the sister concerns and company has charged the cost on those funds which are not utilized by the sister concerns on the assigned work as the same is interest bearing funds and vice versa in case of advances received by the Company.

Thus the company has charged cost of reimbursement on those unutilized advances in the execution of project works which compensate the excessive cost incurred by the company during the financial year against that of the revenue.

Since this arrangement is of the nature of reimbursement of the cost incurred by the company hence no Taxes are withheld in the form of Tax deducted at source by the sister concerns and thereby the company has maintained the accounting concept of appropriation of cost upon utilization of the sources in the business.

2.1 Share Capital	As at 31st March, 2022		As at 31st March, 2021

	40,000	4.00	40,000	4.00

The Company has only one class of equity shares having par value of Rs.10/- per share. Each holder of equity share is entitled to one vote per share. In the event of liquidation of the company, the equity share holders will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the equity shareholders. The dividend proposed by the Board of Directors if any is subject to the approval of the shareholders in the ensuing annual general meeting except in the case of interim dividend

The company has neither allotted any bonus shares nor allotted any shares against consideration other than cash till date.
The company has not bought back any shares till date.
